

**Parental Permission Form
Student Participation in Extracurricular Student Clubs**

The Rowan-Salisbury School System believes that extracurricular activities are a vital part of the total education program. Pursuant to Board Policy 1310 (Parental Involvement), parental permission is required for student participation in all extracurricular activities, clubs and athletics. Extracurricular clubs meet during non-instructional hours (e.g., before school, after school).

This form must be signed by a parent or legal guardian and returned to the club advisor before a student joins an extracurricular club. Please refer to the Rowan-Salisbury Schools Athletics Manual for forms related to student participation in interscholastic athletics.
